MYP STUDENTS

READ FIVE BOOKS THIS SUMMER AND GET ONE IN RETURN!

THIS IS HOW IT WORKS:

- ✿ Borrow and read/listen to five books during the summer break.
- ✿ Fill in the book list with the titles of the books you have read (you can get a book list at your library or at <http://bibliotek.almhult.se>).
- ✿ Turn in your book list at your library at the International school and you will get a gift card. Last day to turn in your book list is 29th August (only one book list per person can be handed in).
- ✿ You are welcome to trade in your gift card for a gift card to a book store, Adlibris.com, so you can choose a book of your choice. The trade will take place at your library at the International school between 7th-18th September.
- ✿ Use your gift card at Adlibris.com to purchase a book of your choice.

You wanna skip the list? That's ok if you have Instagram. All you need to do is post a picture of the book and tag it with #summerreading2015. Grade the book between 1–5 with a short description on why you chose that grade, a short summary of the book and you are good to go. After the summer break you show your posts and you will get a gift card to Adlibris as usual.

HAVE A NICE SUMMER BREAK!
