## Your child`s sports

Practical things regarding the sports school.

- ◆ Label or mark all clothes and gear. (Let your child pack its bag by itself)
- ◆ Keep to the times. Your child should be in sportswear and ready when the activities begins. Remember that for some activities, there is a bit to walk from the parking lot to the starting place.
- ◆ As a parent, you are responsible for your child until the activity begins and for being there right after the activity has finished.
- ◆ Do not disturb ongoing activities
- ◆ Accompany your child into the changing room
- ◆ Remember not to store valuables in changing rooms!
- ◆ Where shower facilities are provided, make sure your child has a shower.
- ◆ We ask you not to change the group during the year – this will cause problems.
- ◆ Do try and set up a carpool to get to the sports school activities or take the bicycle if possible. For some activities parking options are limited.
- ◆ You are always welcome to ask questions or comment on the sports school activities, negatively or positively
- ◆ If your child finishes taking part in the sports school, please inform fritidsavdelningen, [fritid@almhult.se](mailto:fritid@almhult.se) or 0476-551 65
